

Each candidate for membership will be expected to pursue a Godly lifestyle and to seek after God's best for them! A Christian testimony of integrity and truth is to be built and cherished! As a member of NLA the ordinances of 'Baptism' and 'Communion' are to be both observed and highly esteemed.

Attendance and completion of the 'Membership Classes' which are offered twice a year are mandatory. Doctrine, corporate responsibilities, our mission and purpose, living a successful Christian life and outreach are all topics in these classes.

Involvement in a ministry of NLA will be expected. In keeping with your giftedness and desires, NLA will train you, hold you accountable and equip you to succeed in those ministries. Members are also expected to support NLA through financial giving as well!

Acknowledgement and keeping of these essential requirements is considered necessary for membership!
